

**The Honorable William H. Orrick**

United States District Court for the Northern District of California  
450 Golden Gate Avenue  
San Francisco, CA 94102

**Re: Community Petition Regarding Oakland Police Department Oversight**  
**Case No. C00-4599 WHO**

**Dear Judge Orrick:**

I respectfully submit the enclosed community petition and supporting materials for the Court's consideration regarding ongoing oversight of the Oakland Police Department under the Negotiated Settlement Agreement.

This petition reflects the views of 1,018 Oakland residents—904 electronic signatories and 114 handwritten signatories—representing all seven City Council districts and 79 neighborhood, faith-based, nonprofit, healthcare, education, and business organizations. The submission is offered as public input, consistent with the Court's longstanding openness to hearing from community members affected by the City's police-oversight framework and reform environment.

**Privacy and Sealing Request**

To protect the privacy and safety of community members, I am providing two versions of the signature materials:

1. **A redacted version (public)** containing only names, council districts, and organizational affiliations; and
2. **An unredacted version (confidential)** containing full electronic records and scanned handwritten signature sheets.

I respectfully request that the unredacted materials be **filed under seal** and made available only to the Court and chambers staff. This approach protects personal identifying information while ensuring transparency through the public submission.

Thank you for your consideration and for your continued oversight of this matter.

Respectfully submitted,
